2023 VINTAGE

The 2023 vintage has been an early one in Rioja. With spring rains and mild temperatures that accelerated budding. May was warm, followed by a very dry summer, reaching values of 40°C from the end of May. The rains at the beginning of September alerted the winegrowers, starting a quick harvest with a lot of selection in the vineyard.

WINEMAKING

Each vineyard is harvested at its peak ripeness and vinified separately. Alcoholic and malolactic fermentation takes place in stainless steel tanks. Followed by 14 months aging in American oak barrels of second- and third-year use.

STYLE

Crianza is the ideal wine to be enjoyed every day. It is light, fresh, and has intense fruit flavours, particularly those of black fruits like blackberries and plums. The ageing comes through in subtle notes of liquorice, vanilla, coconut, and bakery. On the palate, it is elegant, with a crispy acidity, a juicy texture, and very easy to drink.

PAIRING

The perfect red wine for tapas, aged cheeses, cured meats, and a great barbecue. It pairs equally well with artisanal pizza, grilled white and red meats, rice dishes, and lasagna.
