

EDICIÓN LIMITADA TEMPRANILLO 2022

Crafted using a selection of the best grapes and aged in top-quality barrels, this wine is the second blend of Ramón Bilbao's iconic Mirto. Perfect for creative types who enjoy modernity, like to take risks, and see the world from a different perspective.

D.O.Ca. VARIEDAD

Rioja. 100% tempranillo.

TERROIR

Selected vineyards from various estates across several villages near Haro, located at altitudes between 450 and 700 meters. The soil is predominantly sandy, with low fertility and limited moisture retention.

2022 VINTAGE

In Rioja Alta, the 2022 vintage was milder compared to Rioja Oriental. Although the region experienced a widespread water deficit, the rains at the end of August and beginning of September compensated during the last weeks of ripening. This allowed the fine Tempranillo to advance its development and achieve optimal balance at the time of harvest.

WINEMAKING

Each municipality is vinified separately until the blending. Manual selection of clusters, followed by alcoholic and malolactic fermentation in French oak vats. Subsequently, the wine ages for 15 months in French oak barrels and is blended in concrete tanks for an additional 5 months.

STYLE

A wine with soul and fruitiness, of high intensity, clean and bright. Notes of ripe, black grape and ageing in noble barrels, with hints of black pepper, clove, and chocolate. It is long and weighty, reflecting a sense of the terroir.

PAIRING

Beef, smoked dishes and international cuisine such as Mexican dishes or spicy Chinese food.
