

EDICIÓN LIMITADA GARNACHA 2022

The first vines in Rioja to greet the sunrise each day. In the highest lands of the easternmost part of Rioja, where we cultivate the vines that are the first to see the sun rise, a unique character is born, denoting purity, concentration, joy and life. Garnacha at its best. The new Edición Limitada by Bodegas Ramón Bilbao holds within it the best of the Mediterranean climate with all the freshness, floral aromas and light of the dawn in Monte Yerga.

D.O.Ca. VARIETY

Rioja. 100% garnacha.

TERROIR

From selected vineyards in Rioja Oriental, spanning several municipalities (Tudelilla, Grávalos, and Arnedo) and Monte Yerga. The Garnacha vines grow on low trellises with a planting density of 2.60 x 1.20 m in alluvial soil with a limestone substrate. The vineyards are situated at an altitude of 600 m and face east-west.

2022 VINTAGE

2022 vintage was not unnoticed in La Rioja. The cycle began with very mild temperatures during autumn and winter, but every corner of the region was hit by an extreme drought. This phenomenon, along with successive heat waves, turned this harvest into one of the most challenging ones.

WINEMAKING

Hand-harvested, selecting only the finest bunches. Fermentation takes place in concrete tanks at controlled low temperatures, with gentle pumpovers to ensure a delicate extraction that highlights the varietal character. The wine is aged for 12 months in second and third-use French oak barrels, preserving the Garnacha's elegant fruit profile. After aging, it is blended and further refined in concrete tanks for 6 months before bottling.

STYLE

Edición Limitada Garnacha is pure lightness, drawing on the prominence of the primary fruit alongside a very subtle touch of oak. The altitude and location of the vineyard give it its freshness and Mediterranean character. This wine is pale in colour, with a nose in which the red fruit stands out and a smooth and velvety mouth with enveloping and balanced tannins.

PAIRING

Meat dishes like stews and casseroles. More casual dishes like cured cheeses, roasted vegetables, ham wraps, quesadillas, burritos.
